

Margaret Mead Elementary School
E-Book Reader Student/Parent Agreement 2015-16

Your student has requested permission to use a personal e-book reader (Kindle, Nook, etc.) at school for use during independent reading. Because of the nature and value of e-readers, we require that the student and his/her parent(s) read, sign and return the following e-book agreement, prior to the student bringing their e-reader to school.

- Students may use e-readers for independent reading only. No other applications (games, internet, etc.) may be accessed or used at any time during the school day, including recess and/or lunch time. Books may not be downloaded during the school day.
- When not in use for independent reading, the e-reader must be kept in the student's backpack or desk, as per individual classroom procedures.
- E-readers may be used during the independent reading portion of weekly library class for 3rd – 5th graders.
- Care of e-readers is solely the student's responsibility. The school will not take responsibility for loss, theft, breakage or damage to any student-owned e-reader.
- A student's permission to use an e-reader at school may be withdrawn at any time, should the student abuse the privilege of using the e-reader. The student's teacher or the school administrator will make parents aware of withdrawal of permission.

By signing this document, I agree to the conditions above.
